

MOODY'S® BOND SURVEY

Cumulative Index and Bulletin of Ratings: December 1985

Commercial Paper, Corporate Bonds, Federal Agency Issues, Municipal Securities, and Preferred Stocks

Covers issues of January 7 through December 30, 1985

The items in the Index are arranged alphabetically. Where two or more page references are given, the first listed always indicates the most recent one.

The Bulletin of Ratings appears at the end of this section and is divided into Corporate Bonds, Commercial Paper, Municipal Securities, Municipal Short-Term Loans, and Preferred Stocks.

Note: The term "commercial paper" as used by Moody's means unsecured promissory obligations not having an original maturity in excess of nine months. Moody's makes no representation as to whether such commercial paper is by any other definition "commercial paper" or is exempt from registration under the Securities Act of 1933, as amended.

Municipal Securities

(General obligations unless otherwise specified)
